

## Rules for abstract submissions to the 7<sup>th</sup> International Meeting on Plant Breeding

**Only abstracts within the scope of the event that consider the following parts will be considered for publication:**

- Plant Breeding
- Molecular Biology and Genetics
- Experimental Designs and Statistical Analysis

**Maximum number of abstracts per presenter: 1**

**At the time of abstract's submission, the participant must also submit the poster of the work.** The posters will be displayed in a session and more information about it will be released soon.

**Ongoing research will also be considered!** (see the details in the "text" section below)

Abstracts must have the following components:

**Title:** should be written in uppercase, bold style, Arial 14pt font and centered. Scientific names should have italic style (e.g. *Glycine max*)

**Authors:** must be written in normal style, Arial 11pt font and justified. All names must be separated by semicolon (;) and referenced with institution and email address. The main author name should be underlined.

**Text:** should be continuous, justified, simple line spaced and written in Arial 11pt font, without paragraph or line breaks. The text must follow the logical article structure (brief Introduction, Objectives, Material and Methods, Results/Preliminary Results, Discussion (if this applies) and Conclusions/Perspectives) without topics, figures, tables or references.

**Keywords:** must have 4-6 words, separated by semicolon.

**Language:** the abstract must be written in English.

**Acknowledgements:** can be inserted in the end of the abstract (optional).

The full text (including title, authors, text, keywords and acknowledgements) must have 2000-3000 characters, including spaces, in only one page. Page formatting: A4, with 2 cm for top, bottom and right margins, and 3cm for the left margin.

**File must be send in .docx format.**

**Poster:** Should be written in English using the event poster model. Poster title should be the same as the accepted abstract. The abstract titles, names, and affiliations should appear on the top of the poster. The title font size should be at least 20. The authors' names and affiliations may be somewhat smaller. Preferably use tables/figures and limit text usage.
