

The ImmunoWebinars announces:

AHR IS A ZIKA VIRUS HOST FACTOR AND A CANDIDATE TARGET FOR ANTIVIRAL THERAPY

Jean Pierre

BS in pharmacy-biochemistry from UEL, PhD in immunology from USP under mentorship of Prof. Luiz Vicente Rizzo, with sandwich period at Harvard Med. School. JP is currently a professor at USP and an associate researcher at the scientific platform Pasteur-USP, where his research aims to study interactions between the central nervous system and the immune system through the presence of receptors for neurotransmitters. Also, it studies the cellular and molecular mechanisms involved in the pathogenesis of microcephaly by the Zika vírus.

August 25th (Tuesday), 12pm

Programa de
Pós-Graduação em
Imunologia | Pensando e
Inovando em
Imunologia
Universidade de São Paulo
