

## THE IMMUNOLOGY OF FOOD QUALITY CONTROL

**June 8th (Tuesday), 12pm**

BS in Biological Sciences and Fundamental Sciences for Health and Ph.D. in Immunology from the University of São Paulo. Currently, Dr. Florsheim is an Assistant Professor at Arizona State University. Her aim is to integrate physiology, neuroscience, and animal behavior into immunology research to determine the mechanisms underlying immune defenses in health and disease. Current projects involve mast cell biology, neuro-immune processes, and brain responses to immunological stimuli such as allergens.

**Dr. Esther Florsheim**
